

## New Video Content is available „Last Mile Distribution of Covid-19 vaccine in Germany“

---

Two videos (short & long version) about the last mile distribution of Covid-19 vaccines incl. the product life cycle of our va-Q-med in Germany is now available.

Please make use of the videos and share the YouTube Link:

[https://youtu.be/F1ynA3M\\_z7c](https://youtu.be/F1ynA3M_z7c).

In addition, we will publish the video on our website as a case study and create a social media story. Just as a kind reminder: A lot of further video content, product pictures, presentation templates, etc. are available in our [va-Qwiki](#).

[Link: <https://vaqtecag.sharepoint.com/sites/va-Q-wiki/SitePages/Marketing.aspx>] Please check the Marketing section regularly.
